

Beware

Pet Poison Helpline's

SCARIEST HALLOWEEN HAZARDS

Chocolate

Beware the dark and bitter spirits and chocolates this time of year.

Raisins

Great for kids, bad for canine kidneys!

Xylitol

Sugar free candy and gum cause a deadly blood sugar drop in dogs.

Costumes

Pet costumes may contain lead or zinc and can be harmful if swallowed.

Batteries

Chewed or ingested batteries from flashlights or light-up costumes can result in chemical burns.

Boos! Not Booze!

Alcohol leads to rapid sedation, shock and low blood sugar in pets.
